FROM

To M.Venkatanarayanappa, Esq., B.A.,
The Secretary to the Government

SIR,

With reference to paragraph 5 (b) of Government Order No.D. 6432-6500 I & C. 300-35-1 dated 29th April 1936 sanctioning among other things the free grant of the necessary extent of land in close vicinity of the Mysore Iron and Steel Works for the construction of the plant and quarters for the staff in connection with the establishment of a Paper Factory at Bhadravati, I have the honour to forward herewith a copy of D.O.No.227/36-37 dated 28th November 1936 of the Chairman, Mysore Paper Mills addressed to the Deputy Commissioner, Shimoga District, received with his letter No.A1.C.1114/36-37 dated 30th November 1936 (copy enclosed) requesting for the grant of lands in S.Nos. 14 and 5 of Anekoppa and Ujjanipur villages in the Shimoga Taluk and to state that in the circumstances reported I have approved of the Deputy Commissioner's action in having permitted the authorities, in anticipation of sanction, to clear off the jungle in the area required for immediate purposes.

2. A copy of the memo approving the Deputy Commissioner's action is also enclosed herein for the information of Government.

Letter No.Al.C.1114/36-37 dated 30th November 1936 from the Deputy Commissioner, Shimoga District, to the Revenue - Commissioner in Mysore, Bangalore.

Subject:- Mysore Paper Mills Ltd.- Grant of land to.

I have the honour to forward herewith copy of letter No. D.O.227/36-37 dated the 28th instant, from the Chairman, of the Mysore Paper Mills, Ltd., requesting that about 500 acres of land for the company may be granted in S.No.14 of Anekoppa and S.No.5 of Ujjanipura, Bhadravati Hobli of Shimoga Taluk. It is seen from the khetwars that both these Survey Numbers are gomal lands; and both these villages are Becharak. The land wanted has not been measured but they have been marked on a blueprint map which has been sent along with the Chairman's letter.

2. As no definite recommendation for the grant can be made without measuring the land and knowing the exact extent required I have asked the District Survey Officer to get the portions required measured and demarcated. After the receipt of the District Survey Officer's report, formal proposals about the grant will be submitted.

3. Government have in para 5(b) of their order No.D.6432-6500/ I. & C. 3-35-1 dated 29th April 1936 agreed to grant free of cost the extent of land required for the use of this company.

4. It is seen from the remarks made against the S.No.14 of Anekoppa, that portion of this Survey No. has been constituted into a Minor forest. The exact portion of this Minor forest is not known. A reference has been made in the matter to the District Forest Officer, Bhadravati.

5. The Chairman of the Mills requests that the contractors and the subordinates working on the construction of quarters may be allowed to clear the jungle in the area required for immediate purposes. As Government have agreed to give the land required by the company, I have in anticipation of your sanction given the Chairman the necessary permission in this respect.

D.O.letter No.227/36-37 dated 28th November 1936 from the Chairman, The Mysore Paper Mills, Ltd. Bangalore to the Deputy Commissioner, Shimoga District.

Kindly refer to para 5(b) of G.O.No.D.6432-6500/I.& C. 3-35-1 dated 29th April 1936 passing orders in the matter of the establishment of a Paper Factory at Bhadravati as a Joint Stock concern. It is found by a careful examination of the ground available for the Paper Factory that portions of Survey No.14 of Anekoppa Village and S.No.5 of Ujjanipur village -- bordering on the Mysore Iron & Steel Works property are needed for locating the Paper Factory Colony and also for keeping clear ground beyond the Factory site and colony to prevent depredation from wild beasts. It is already found that the jungle in these Survey Numbers gives shelter to panthers and tigers and the --- workmen now engaged in construction have been scared occasionally. I request, therefore, that the portions marked A A A out of the Survey Number 14 of Anekoppa and Survey Number 5 of Ujjanipur village in the enclosed sketch to the north of S.No.15, 16, 30, and 4 of Anekoppa village and of the line running due west up to S.No.12 of Ujjanipur village and north of S.No. 12 and 13 of that village, may kindly be measured and granted to the Mysore Paper Mills, Ltd., in pursuance of the above Government Order.

I request also that the contractors and the subordinates working on the construction of quarters may kindly be allowed to clear jungle in the area required for immediate purposes.
